

POLITICO PRO

FEATURE: POLICY TRACKERS

Monitor Key Legislation and Regulation

TRACK BILLS, RULES AND CONVERSATIONS - ALL IN ONE SPOT

Leverage POLITICO Pro's suite of trackers - Legislative Compass, Regulatory Compass and Dialogue Tracking - to quickly find and track important developments at the federal and state level. Save time and get the key information you need to impact policy outcomes - fast.

TRACKERS SUITE

LEGISLATIVE COMPASS

REGULATORY COMPASS

DIALOGUE TRACKING

STAY AHEAD OF THE CURVE WITH TIME SAVING TOOLS

BILL TRACKING

Save time with the ability to monitor the progress of federal and state legislation with a customizable dashboard. Compare bill versions to view the recent changes, track federal spending bills with simple-to-follow visualizations and access key documents in an easy-to-view display.

DIALOGUE TRACKING

Monitor elected federal officials' public commentary made on the floor of Congress and in their press releases to know what the power players are saying about significant policy issues.

RULES TRACKING

Seamlessly follow federal and state regulatory changes. Access historic and current rules through their status, agency and RIN. Easily view source documents, public comments, and a timeline of actions taken for each rule.

EASY COLLABORATION

Find and save everything you need all through one platform, allowing your team to define its position, focus on key priorities, identify the power players, and work towards common goals efficiently.

EXTENSIVE SEARCH CAPABILITIES

Uncover the details behind bills, regulations and public comments quickly and accurately with the tracking suite's robust search capabilities and filters.

LEVERAGE YEARS OF DATA ALL IN ONE COMPREHENSIVE TRACKING SUITE

MONITOR POLICY SEAMLESSLY

Stay in the know for any policy movements by keeping tabs on bills, rules, and lawmakers' statements all within one tracking suite.

SAVE TIME

Set alerts, share notes, compare bill versions, and monitor commentary with advanced, time-saving tools, including saved search, tracked bills, appropriations tracking, and priority and stance labeling.

INTUITIVE DESIGN

Find and track the key information you need with a few clicks, whether it's a new version of a bill, proposed regulation, committee transcript, final guidance or anything else in between.
