

POLITICO PRO PREMIUM

Lead the conversation.

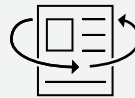

In today's ever-changing political climate, you need to act quickly on emerging policies and issues. In addition to the powerful features from POLITICO Pro Plus, POLITICO Pro Premium gives you the extra edge with non-partisan, real-time intelligence, in-depth policy analyses, and research tools so you can be proactive and educate your stakeholders with confidence.

With POLITICO Pro Premium, spend less time analyzing and more time on policy priorities that matter most to you.

3000+ analysis presentations & data visualizations

TAKE YOUR PRO INTELLIGENCE TO THE NEXT LEVEL.

360-DEGREE POLICY VIEW

Get the whole picture of the evolving policy world with details, key players, and potential outcomes in a central hub.

SAVE TIME AND ENERGY

Break down complex topics and present high-impact visuals so you can focus on your next big move.

DEMONSTRATE ROI

Prove the value of investments to your stakeholders with robust analysis and insights.

BOOST YOUR EXPERTISE

Educate and make valuable recommendations to your stakeholders on rapid policy changes based on analysis and data trends.

INSIGHT TO KEEP POLICY IN SIGHT.

DataPoint

Nail your stakeholder presentations with impactful data visualizations that explain the details of complex policy topics and trends.

Pro Analysis

Get up-to-speed quickly on emerging issues with three-page snapshots on what's at stake, key players, and next steps so you don't have to sift through information.

Premium Roundtables

Uncover macro-level industry and legislative trends and receive a detailed briefing book of key vertical developments through policy-specific events.

Pro Bill Analysis

Access a quick overview and context on key points, key players, expected votes, related legislation, and possible outcomes to communicate to your stakeholders about a bill's implications.

Project Library

Save time with pre-populated projects delivered to you as an added concierge service to the current Projects tool, so when your workflows change, you have a place to start.
